How to get to Mesa Parts

Coming from Freiburg / Feldberg

Drive through Mühlingen, a suburb of Lenzkirch. On the left hand side you'll see the Mesa Parts plant „Freiburger Straße“. Drive past it and continue into Lenzkirch. After the „Lenzkirch“ signpost at the entrance to the town, take the first turn right (open-air swimming pool, cemetery). Carry straight on until you arrive at the Mesa Parts main building on your left.

Coming from Kappel / Bonndorf / Schluchsee

Kappel Drive to the centre of Lenzkirch past the church and turn right at the crossing.

Bonndorf Follow the main road through Lenzkirch.

Schluchsee Follow the road in Lenzkirch up to the crossing and turn left there. After the two petrol stations just before you leave the town, turn into the last road on your left (open-air swimming pool, cemetery). Carry straight on until you arrive at the Mesa Parts main building on your left.
